WHEREAS, on June 4, 1991, the City Council of the City of Fairfield, California, pursuant to the provisions of the Landscaping and Lighting Act of 1972, adopted a Continuing Resolution Directing Preparation of Annual Reports for Maintenance Assessment Districts;

WHEREAS, said resolution directed the undersigned to prepare and file a report pursuant to Section 22565 et seq. of said Act;

NOW, THEREFORE, the undersigned, by virtue of the power vested in me under said Act and the order of the City Council of said City, hereby makes the following assessment to cover the portion of the estimated cost of the maintenance of said improvements and the costs and expenses incidental thereto to be paid by said district.

The amount to be paid for the maintenance of said improvements, and the expenses incidental thereto, are as shown on the cost summary on page 3 of this report.

Reference is made to the original assessment diagram for maintenance dated December 1986, which is hereby amended by the assessment roll contained herein.

I do hereby assess the net amount to be assessed upon all assessable lots or parcels of land within said landscaping maintenance assessment district by apportioning that amount among the several lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the maintenance of said improvements, and more particularly set forth in the list hereto attached and by reference made a part hereof.

Said assessment is made upon the several lots or parcels of land within said landscaping maintenance assessment district in proportion to the estimated benefits to be received by said lots or parcels, respectively, from the maintenance of said improvements. The diagram and assessment numbers appearing herein are the diagram numbers appearing on said diagram, to which reference is hereby made for a more particular description of said property.

Each lot or parcel of land assessed is described in the assessment list by reference to its parcel number as shown on the Assessor's Maps of the County of Solano for the fiscal year 2020-2021 and includes all of such parcel excepting those portions thereof within existing public roads or right of way to be acquired in these proceedings for public road purposes. For a more particular description of said property, reference is hereby made to the deeds and maps on file and of record in the office of the County Recorder of said County. Because the names of the several owners are unknown to me, I hereby place the word "Unknown" opposite the number of each lot or parcel of land assessed, the amount assessed thereon and the number of the assessment.
