The report must include: (1) The name and address of all corporations or any other business entities, except for sole proprietorships, that are the beneficiary of the economic development subsidy, if applicable; (2) The start and end dates and schedule, if applicable, for the economic development subsidy; (3) A description of the economic development subsidy, including the estimated total amount of the expenditure of public funds by, or of revenue lost to, the city as a result of the economic development subsidy; (4) The net tax revenue to the city as a result of the economic development subsidy; and (5) The net number of jobs created by the economic development subsidy, broken down by full-time, part-time, and temporary positions.

1. NAME AND ADDRESS OF THE ENTITY

S & S Tool and Supply, Inc. dba S & S Supplies and Solutions (S & S)
2700 Maxwell Way
Fairfield, CA 94534

2. THE START AND END DATES AND THE SCHEDULE FOR THE SUBSIDY;

The scheduled start date of the subsidy is April 16, 2014 and ended on March 31, 2018.

3. A DESCRIPTION OF THE SUBSIDY, INCLUDING THE ESTIMATED TOTAL AMOUNT OF THE EXPENDITURE OF PUBLIC FUNDS BY, OR REVENUE LOST TO, THE LOCAL AGENCY AS A RESULT OF THE SUBSIDY;

For the first 18 months of the subsidy term, the City provided a rebate to S & S as follows: fifty percent (50%) of Sales and Use Tax generated by the S & S and actually received by the City (the "Tier 1 Rebate"). Thereafter, the City provided a rebate to S & S fifty percent (50%) of any amounts of Sales and Use Tax generated by the S & S that exceed \$750,000 in each Fiscal Year and were actually received by City (the "Tier 2 Rebate").

No rebate was due to S & S for any Fiscal Year in which the City's overall Sales and Use Tax revenues plus revenues from the Measure P Transaction and Use Tax adopted by the voters November 6, 2012 (together, the "Actual Tax Receipts") fell below \$20 million. From the beginning of the subsidy period until June 30, 2014, in the event the Actual Tax Receipts fell between \$20 million and \$25 million for the Fiscal Year ending June 30, 2014, the Tier 1 Rebate to Company was thirty-five percent (35%) (i.e., not 50%) of Sales and Use Tax generated by the Company and actually received by City. Beginning July 1, 2014, where the

Actual Tax Receipts fell between \$20 Million and \$30.5 Million for the fiscal year, the Tier 1 Rebate was thirty-five percent (35%) (i.e., not 50%) of Sales and Use Tax generated by the Company and actually received by City, and the Tier 2 Rebate was fifty percent (50%) of any amounts of Sales and Use Tax generated by the Company that exceeded \$1,250,000 (i.e., not \$750,000) and actually received by City in each Fiscal Year.

Under no circumstances was a Rebate Payment due to S&S that reflected Sales and Use Tax generated after March 31, 2018.

The following rebates were provided to S&S resulting in revenue lost to the City as a result of this economic subsidy:

<u>Fiscal Year</u>	<u>Rebate of Sales and Use Tax Paid By S&S</u>
2014-2015	\$130,547
2015-2016	\$492,139
2016-2017	\$164,138
2017-2018	\$355,657

5. NET NUMBER OF JOBS CREATED BY THE SUBSIDY, CATEGORIZED BY FULL-TIME, PART-TIME, AND TEMPORARY POSITIONS.
