RE: Rancho Solano & Paradise Valley Clubhouses Flooring and Painting Improvements

DATE: 3/10/21

To the City Fairfield,

This is a formal protest letter regarding Rancho Solano & Paradise Valley Clubhouses Flooring and Painting Improvements project that bid 3/9/21. We feel that the apparent low bidder, Legion Contractors, submitted a non-responsive bid. Reasons to support this claim are as follows:

Legion Contractors did not list a flooring subcontractor carrying a C15 and/or C54 CA license. We feel that Legion Contractors are unfit to perform the flooring scope and will be outsourcing to a subcontractor that was not listed.

We believe Legion Contractors' bid is non-responsive and Rancho Solano & Paradise Valley Clubhouses Flooring and Painting Improvements project should go to the next responsive bidder. Thank you for your consideration on this protest letter.

Thank You,
