RE: RANCHO SOLANO & PARADISE VALLEY CLUB HOUSES FLOORING & PAINTING IMPROVEMENTS

ATTN: CAROLINE VEDDER | ASSOCIATE CIVIL ENGINEER

We have received a copy of bid protest submitted to the City of Fairfield by Pinguelo Construction dated 03/10/2021 in regards to the above referenced project. Legion Contractors, Inc. believes our bid is fully responsive and provides the following response to the ground of protest noted in their letter.

- Legion Contractors, Inc. is a Licensed California A, B, and C-36 General Contractor. We are able to do finishes trades as part of our projects as a General Contractor.
- Legion has done numerous public renovation projects with similar scope of work (Flooring) as part of the project using our own crew. The Certified Payrolls and Owner References of those projects are available to be submitted to the City of Fairfield as a proof of work have been done in the past.
- Legion will be using its own experienced crew to perform the job in this project once awarded and the only subcontractor to be used will be the painting subcontractor listed in our bid.

Please do not hesitate to contact me with any further questions.

Sincerely,

Amir Movafegh | President
