Notes / Terms

Once approved in email or via PO for an order, we will begin the setup process. All of our systems and equipment must be setup and activated (starts the warranty status) which then becomes non-refundable and non-returnable. In most cases there is no possibility for a return option. However, we will always support and ensure satisfaction that products we sell operate to the standard expectations of the manufacturer.

Quotes are valid 30-days unless otherwise stated in this document, and quotes depend on ability to source the products.
